

PRINCE2[®] FOUNDATION (3-day)

PRINCE2[®] (Projects In Controlled Environments) is one of the worlds most widely used project management methodologies.

Based on best-practice, the method can be applied to any project irrespective of its size, industry sector, geographic location or culture.

PRINCE2[®] has become a benchmark for many jobs. By gaining PRINCE2[®] Foundation and Practitioner certifications you are demonstrating you have the knowledge of its flexible methods, can guide and apply the process for managing successful projects and promote yourself as a project management professional - leading to a better career and future.

Our PRINCE2[®] Foundation training course contain everything you need to gain your PRINCE2[®] Foundation & Practitioner accreditation.

PRINCE2 Foundation – 3 days

Our PRINCE2[®] Foundation training is designed to provide candidates with sufficient knowledge and understanding of the PRINCE2[®] methodology. Well enough to be able to work effectively as a member of a project management team working within an environment supporting PRINCE2[®].

This course will prepare candidates to sit the PRINCE2[®] Foundation exam, which is also a prerequisite for the PRINCE2[®] Practitioner certification.

Who is it for?

The PRINCE2[®] Foundation certification would benefit those in job roles such as:

Project managers and aspiring project managers.

Other key staff involved in the design, development and delivery of projects, including: Project board members (e.g. senior responsible owners), Team managers (e.g. product delivery managers), Project support (e.g. project and programme office personnel), Operational line managers/staff.

Pre-requisites

There are no formal requirements, but it would help if delegates have an understanding of project management.

Learning Objectives

The aim of this PRINCE2[®] Foundation course is to:

- Demonstrate that you understand and can recall the various components of the PRINCE2[®] method.
- Explain the PRINCE2[®] principles
- Identify the recommended PRINCE2[®] management products which include baselines, records and reports
- Describe each step of the PRINCE2[®] journey, listing the activities required to guide a project throughout its lifecycle.

How is the PRINCE2 Foundation assessed?

The format of the PRINCE2[®] Foundation exam is as follows:

- 60 minute exam duration
- 60 questions
- Closed book
- 33/60 required to pass = 55% pass mark

Delegates will, throughout the Foundation and Practitioner courses, be exposed to numerous examples of examination questions, exercises and 'question-and-answer' sessions that will help to consolidate the learning. Thereby ensuring that delegates are more than adequately prepared for the exam.

What is included in this course?

- Highly experienced Instructor
- All courseware & classroom materials
- The official PRINCE2[®] exam
- FREE PRINCE2 exam simulator
- PRINCE2[®] Handbook
- Completion Certificate

Group Courses

Group courses can be delivered on-site at your premises or at a local venue. In-house training offers advantages over booking public courses including:

- cost savings
- avoidance of travel expenses
- tailoring to meet specific needs
